Message

Within a couple of months of launching the NOW RUNNING feature, NoMoreQueue.com has launched its WAP version to make the movie-watching experience more user-friendly for the moviegoers. This new feature lists all the movies that are now running in Delhi, Mumbai, Chennai, Kolkata, Bangalore, Hyderabad and Pune on the mobile through a WAP version of the NOW RUNNING feature. Currently the NOW RUNNING feature covers over 600 theatres across all these cities.

Movie watchers who desire to check the movies NOW RUNNING can log on to mobile.NoMoreQueue.com through their mobiles and select movie listings by city, date, movie and language. It's a free service that has been provided to make movie selection a more user-friendly experience.

'The WAP version of our NOW RUNNING feature is yet another small gift from the NoMoreQueue.com to movie viewers,' says T V Gautham, the CMO of GAP Miners Ltd. 'Since most of the time movie watching decisions are made when people are on the move, we decided to launch our NOW RUNNING feature as a WAP version. We are sure that the market will appreciate having the popular NOW RUNNING feature on their mobiles.'

NoMoreQueue.com targets to cover another 10 cities in this feature by March 2010 . As announced earlier, NoMoreQueue.com is willing to provide the 'Now Running' information feed to any movie related, local search and city specific sites for free, since it benefits the movie-goers.
